

# CHS Middle School Ski and Snowboard Club

## Sunday Afternoons, at Kissing Bridge

...with included lessons, followed by hours of skiing and board riding on the beautiful hills above the Colden Valley.

Follow these links to obtain your pass directly from Kissing Bridge (\$250), and to reserve your spot on our bus to and from the slopes (\$175). It's a great investment to make winter fly!

1. **Ski Pass:** Complete the [Kissing Bridge Sunday Ski School Group Registration Form](#) to purchase your ski pass directly from Kissing Bridge. Michael Bouquard, at Kissing Bridge, will assist you. Once he has received your Registration Form, Payment, *and a Passport-style Photograph*, he'll prepare your pass, ready for pick-up at KB for our first outing. Email to [michael@kbski.com](mailto:michael@kbski.com), or mail to Kissing Bridge, 10296 State Rd. Glenwood, NY 14069, Attn: Michael Bouquard. *Note: Attach your pass to your jacket or pants because if you lose it, a replacement pass costs \$15!*
2. **Transportation:** We offer a bus ride departing [Big Lots on Delaware Avenue](#) in North Buffalo at 12-noon, returning at 6PM. On the way, there's a second pickup & drop-off at [Home Depot on Ridge Road](#), in West Seneca (12:30 and 5:30). If you'd like to ride the bus, [fill out this form](#) and return it, with your check made out to CHS PTSCO, to Brian Kryzan, 169 Norwood Avenue, Buffalo, NY 14222. ([briankrzyzan@gmail.com](mailto:briankrzyzan@gmail.com))

So simple! Now plan your winter because it'll seem so short! We'll ski and ride every Sunday in January & February, weather permitting. That means *January 7, 14, 21 & 28; February 4, 11, 18 & 25*. March 3<sup>rd</sup> is our "back-up day", and then it'll be spring – waaay too soon!!

Club members may participate in a *free group lesson* at about 2pm during the first five (5) Sundays. The Kissing Bridge Instructors are great and group lessons are a lot of fun so try it; you'll like it! And, there are lessons for all skill levels. Beginners warm-up on *Candy Cane*, right near the main lodge; experts hit the fastest slopes or the terrain parks. Your instructor will help you learn at your pace and comfort.

**Need gear?** The [Snowflake Shop](#), at Kissing Bridge offers daily rentals. Find seasonal rentals at [Mud Sweat and Gears](#), [Colden Ski & Board Shop](#), [Glenwood Depot](#), and [The Board Room](#).

Always wear a helmet while skiing or board riding. Mittens work better than gloves, and foot warmers are the best invention since Vikings first stood up on slippery slats.

### **The CHS middle school Ski and Snowboard Club is a blast!**

Kissing Bridge is compact and conveniently close. The main lodge is directly below the central chair lifts. If you're chilly, there's a roaring fireplace. If you're empty, they've got all the major food groups: **hotdogs, curly fries, and cocoa!** Then it's back to the slopes for more runs before heading home, still in-time for homework because this is City Honors, after all!

The best skier, or rider, is the one who had the most fun! What could be more fun than Sunday afternoons with your classmates at Kissing Bridge?
