Who: UB Department of Computer Science and Engineering

What: Computer Science Education Week Kids Day

When: Friday, December 6th

Where: Davis Hall – UB North Campus Amherst, NY 14260

Participate in hands-on activities, work with robots, and watch live demos. Go to cse.buffalo.edu/ubcseweek/ for more information.

The Buffalo Educational Opportunity Center is offering a **free SAT Prep class** that includes taking the SAT in March 2020. Stop in the Guidance office to pick up an application if you're interested.

Bank of America Student Leaders

Interested in developing your leadership skills with other students? This program offers an 8-week paid internship during the summer at a local nonprofit organization and a trip to a leadership summit in Washington, DC. Visit the School Counseling Office for an application, which is due January 31st, 2020.

Juniors, we will be going to the NACAC College Fair at the Buffalo Niagara Convention Center in March. Details are forthcoming.
