MARY KIEFER
IB TEACHER
EXTRAORDINAIRE!

The City Honors/Fosdick-Masten Park Foundation and the Kiefer family proudly announce the creation of the **Mary V. Kiefer International Baccalaureate Endowment Fund**

Our school community lost Mary V. Kiefer on October 10, 2007 after a long and courageous battle with cancer. She was a beloved friend and mentor to both students and faculty and is deeply missed by all who were fortunate enough to know her.

Mary served on the CH/FMP Foundation Board and was the longtime coordinator of the IB Diploma Program at CHS. The program became the success it is today due to Mary's hard work and effort.

This Fund will honor Mary's memory in perpetuity by utilizing annual earnings from the fund to benefit the IB program. Gifts to this fund will continue to give back to the IB program for generations to come as only earnings on the fund, and not the gifts themselves, will be utilized. Additionally, Mary's family will have input into just how the funds are used to help the program.

Mary worked tirelessly for financial support that would ensure teachers and students had the resources and training needed to fulfill the challenges of IB. This new endowment honors her by insulating the program and our students from the inevitable fluctuations in state and district budgets.

For more information:
Contact Elissa Banas at 716.816.4235 or ebanas@buffaloschools.org

To make a gift to the endowment:
Click on the "Give to CH/FMP Foundation" Quick Link at www.cityhonors.org and download a donation form

Please make checks payable to CH/FMP Foundation and mail to:
City Honors School at Fosdick-Masten Park
186 East North Street Buffalo NY 14204
