In order to participate in Athletics, families must complete all forms and upload an annual physical to **FinalForms**. If your family is not already set-up in FinalForms, please visit: <https://buffaloschools-ny.finalforms.com/> or use the QR code at right.

**Dismissal**

- The school day concludes at 3:09pm.
- Grade 5/6 students must be signed out of the school atrium on the Fosdick Street side of the building by a parent or guardian.
- Parents should ONLY pick up their children on Fosdick Street and should use the curb closest to the school so students do not need to walk in the street. Masten

Avenue and North Street are for yellow bus traffic only. Best Street is one lane each way and it is not safe for stopping to pick up children.

-The district's transportation office (816.4895) can assist parents with PM bussing destination changes if they are required for after-school care or custodial arrangements.

-Students who are staying for after school as members of athletic teams, extracurricular clubs or musical productions must be with the supervising adult until they are picked up.

### **Entrance to School**

-First period begins at 8:30am.

**-Students must be sitting in their Period 1 class by 8:30 AM and are considered late if they arrive at class after the bell rings.**

-Arrival to school begins at 7:30am for students with special ensembles or club meetings.

-All students should enter through the main entrance to the school on Fosdick Street, except for students being dropped off by a yellow bus.

-All yellow bus students enter through the Masten Street Atrium doors.

-Only those students who have passes for morning ensembles or clubs may go to classrooms prior to 8:15 AM.

-Students entering at the main entrance prior to 8:15am will wait in the Auditorium, staffed with a limited number of teacher aides to supervise students.

-Both the atrium and main entrances have Evolv security scanners in place. ALL students must be prepared to remove their laptops, metal 3-ring binders, umbrellas, and metal water bottles (students are asked to use plastic three ring binders and water bottles if possible as this will move them through screening much faster). These items are placed on a pass-through table prior to walking through the Evolv system.

-Security officers are at both locations to provide secondary screening.

-The district reserves the right to "wand" students entering the building each day as needed to protect student safety.

-Fosdick Street is a one-way street. You must enter from East North Street and exit from Best Street. We require parents dropping off students to have them exit the vehicle onto the school sidewalk so they will not need to cross the street.

-Do not use Masten Avenue or North Street as a student drop-off, as this creates dangerous interactions with buses.

-Do not use Best Street as a drop-off as it is one lane in either direction. Attempting to drop students off on Best Street creates a dangerous situation and frustrates other drivers.

*-Students with mobility or injury issues should see the main office for special accommodations.*

**-The main parking lot on North Street and service lot on Masten Avenue should never be used as a student entrance/drop-off.**

### **Food Allergies**

Please see the memo enclosed in this mailing.

### **Food Service**

The Buffalo Public Schools provide universal free breakfast and lunches to all students every day of the school year. Students are trained in café procedures during the first few days of school. A separate area of the café is set aside for students with documented food allergies. Students may bring a bagged lunch to school, however for the safety of students and staff, the school cannot accept food from delivery services or restaurant orders dropped off by parents. Delivery services will be turned away and the school cannot be responsible for any cost incurred by students or families.

## Laptop Devices

Please be sure that your child powers on their BPS laptop if they have not been using it regularly so that it can download updates and work properly with the network in our building when school starts.

- If your child does not have a device yet, needs to exchange their device or needs repairs to their device, you do not need to wait until school starts. All families may report to the BPS Tech Center to be sure their child device is in their hands and working on the first day of school. The sooner you report, the more likely you are to beat the rush:  
BPS Center for Innovation, Technology, and Training  
1515 South Park Ave, Buffalo, NY 14220. Phone: (716) 816-7100  
Monday-Friday ~ 8:30 am – 2:30 pm
- All CHS students who have not been issued a BPS laptop at the start of the school year will be issued one as soon as possible. If your child has an iPad that was issued at another BPS school, they will need to return that device in exchange for the Windows-based laptop used by CHS students. At the time of this printing, we do not have the exact date when new devices will be distributed if your child has not already picked one up from the BPS CITT. Teachers will adjust their lessons and assignments during the first few weeks based on whether students have access to their devices.
- Students must take these devices and charging cords home each night to charge them, and so that our school community is prepared should we ever face unexpected closures. Students should not store their devices in their school lockers or classrooms.
- Personal computing devices should not be used instead of BPS laptops. Cybersecurity safeguards will prevent students from accessing needed programs if they are not using the BPS computers that have been properly configured and updated on the district's network. Several standardized assessments are now conducted online so it is imperative students have a working BPS device that they use regularly to access these. **In addition, the school and school district cannot be responsible for theft or damage to any personal computing device brought to school.**

## Lockers for students in grade 7-12

Students who returned to school last year will have the same locker assignment as last school year. New students will find their locker assignment and directions enclosed on blue paper. Our security officers and our main office staff will have a list of all student lockers as well. Students in grades 5/6 and some special education classrooms have cubbies right in the their classrooms.

## Parent Portal

All BPS guardians have access to the Infinite Campus Parent Portal. The parent portal provides online access to your child's grades, attendance and assessment data in real-time. If you are new to the Buffalo Public Schools, email our main office clerk, Mrs. Prophet at BProphet@buffaloschools.org. Please use "Parent Portal Access" as the subject line and include your name, your child's name and grade in the email. Schoology is our district's digital platform for student learning and communication with teachers. Parents are encouraged to activate their parent Schoology accounts so they can support their child's learning. Please see the flyer enclosed in this packet for more information about activating your parent Schoology account.

## Swimming

We are fortunate to have a competitive-level natatorium at our school. We believe that swimming is a life skill, and all City Honors Centaurs should be at least proficient swimmers by the end of the ninth grade. To achieve this goal, students in grade six swim for part of the year, and students in grade nine swim all year for their physical education requirement. Please plan to have your sixth and ninth graders ready to swim! Sixth graders will learn their specific swim schedules at the start of school. Our swimming teachers are able to accommodate a wide range of swimmers from learning-to-swim to competitive swim racers. Swim teachers will hold several "dry-land" classes for students prior to using the pool to be sure all student are acquainted with procedures.

## **Student Schedules**

Your child will report to a schedule distribution location on the first day of school to pick-up their schedule. **The schedules can be seen in Infinite Campus during the scheduling process but a word of warning that they are not final and may shift as we put the finishing touches on, right up until the day before school begins.**

A Scheduling Change Form has been enclosed with this mailing for students in grades 9-12. Return this form (after the first day of school) if there are issues after the first day. Students should follow their current schedule until they are called down by their school counselor to discuss change requests. High school students are reminded that course requests cannot always be honored. We have a limited number of seats in our classes, including our lunch rooms and physical education classes, and certain courses which are only offered once per day may not work with every student's requests.

### **Middle School Students:**

Grade 5 students should report to the auditorium.

Grade 6 students: A-E report to room 11 (Mrs. Reiss), F-M report to room 18 (Ms. Wolff),  
N-Z report to room 29 (Mrs. Becker)

Grade 7 students: A-L report to room 114 (Mrs. Saxon); M-Z report to room 224 (Ms. Lu)

Grade 8 students: A-L report to room 218 (Mr. Serotte); M-Z report to room 318 (Mr. Mueckl)

### **High School Students:**

Grade 9 students: A-L report to room 220 (Mrs. Casseri); M-Z report to room 305 (Mr. O'Neil-White)

Grade 10 students: A-L report to room 310 (Mrs. Sauer); M-Z report to room 202 (Mrs. Zicari)

Grade 12 students: A-L report to the Gym (Mr. Kudla); M-Z report to the Gym (Mr. Moretta)

Once students receive their schedule, they should report to their homeroom.

**School Picture Day for Grades 5-11/Senior Portrait Make-Up Day, Thursday, October 3:** Look your best! Families may opt-out of having their child's photo included in the yearbook, but for emergency response purposes we ask that all students are photographed. More information will be distributed to families via email as we approach.

## **Student Dress**

As you shop with your child for clothing for the school year, please keep in mind that we have the expectation that students will dress in a conservative fashion, appropriate to a school setting. Although our dress code allows many freedoms, we do ask students to dress in a manner that does not detract from the learning environment. The lessons we teach our children now about dressing appropriately in certain settings will serve them well later in life.

From the current District Dress Code in the 2022-2025 Code of Conduct:

*When on school property or at a school function, a person's dress, grooming and appearance must:*

- *Be safe, appropriate to a professional learning environment, and not disrupt or interfere with the educational process.*
- *Not include clothing (including all pants, skirts, shorts, and tops) that is see-through, excessively tight, or excessively short.*
- *Cover all undergarments with appropriate outer garments, including wearing of pants at waist level.*
- *Include safe and appropriate footwear. Inappropriate footwear includes but is not limited to backless shoes (i.e., flip flops, bedroom slippers). Exceptions will only apply to documented medical conditions.*
- *Only include headwear that is required by medical or religious reasons.*
- *Not be lewd, vulgar, obscene, and libelous or denigrate others, or cause a disruption to the school that impedes the educational program.*
- *Not promote and/or endorse the use of alcohol, tobacco or illegal drugs and/or encourage other illegal or violent activities.*
- *Sweatshirts with hoods (or "hoodies") can be worn, but hoods must always remain down inside of buildings.*
  - *Not include jewelry that may be deemed a weapon. This includes, but is not limited to, a ring/piece of jewelry covering multiple fingers, spiked necklaces or belts, belts with large removable buckles, chain-like neckwear, or ninja-type star jewelry. Belts must be buckled.*
  - *Not include clothing that is associated with or identifiable as a symbol of gang membership (where gang is defined as an organized group of criminals).*

## **Supplies**

Supply lists were distributed by teachers at the end of the school year and at new student orientations. These lists have also been posted to the school website on the Parent Resources page. Teachers of students in grades 9-12 will inform students of needed supplies for their classes as a part of their annual course syllabi which are distributed on the first day of school.

## **Student Planners/Handbooks**

Planners will again be distributed in homeroom to all students at the start of school. Organizational skills can have a powerful effect upon student learning and performance. These planners are one of the best tools for fostering your child's organizational skills. **The City Honors/Fosdick-Masten Park Foundation fully funds these planners. Please consider donating to the Foundation's Annual Fund each fall to help continue the tradition of providing these items to our students at no charge.** Parents are asked to carefully review the CHS student handbook with their child (printed at the front of the planner).

## **Summer Reading**

If your child has not completed their summer reading yet, please work with them to see that they do so.

Teachers in ELA classes will be engaging students in assignments and discussions related to summer reading assignments as the school year starts. Summer reading lists are posted on the Parent Resources page of cityhonors.org in the Back-to-School drop down menu.

**Transportation**

Our traffic, parking, and entry patterns are designed with student safety in mind. Please note the following details:

- Parent drop-off/pick-up of students is on Fosdick Street.
- Visitor parking is on Fosdick Street. Abide by all street signs. Again, we ask parents dropping off students to enter Fosdick Street from North Street so that students can exit right onto the school sidewalk and will not need to cross the street.
- The west side of Fosdick Street is Buffalo Roam two-hour parking. Please be sure to load the Buffalo Roam app to your phone if you come to visit the building and need to park during the school day. We ask that our families do not drive the side streets of the Fruit Belt and Cold Springs neighborhood looking for parking or idling while waiting for students. The city has adjusted the parking rules on Fosdick Street to provide more visitor access at City Honors to reduce traffic on neighboring streets.
- Yellow bus drop-off/pick-up is on Masten Avenue, through the Atrium doors. Parents: please do not attempt to use Masten Avenue or the Masten Avenue service lot/delivery door as a student drop-off from your car. It creates dangerous issues for our yellow buses and student safety.
- NFTA end-of-school-day ‘Specials’ line up on North Street:

2024-2025 SCHOOL YEAR NFTA Specials at #195 (Buses depart at 3:25 PM)

- The parking lot on North Street has one entrance/exit and one direction through the lot. The entrance to the lot is on North Street. This lot is not for student drop-off or pick-up. For the safety of our students, there is no entry, except for handicapped, faculty, and staff parking from 7:00 AM to 3:35 PM on school days.
- Handicapped visitor parking and an access ramp are in the main parking lot.
- Grade 5-6 students being picked up by parents at the end of the school day should report to the Fosdick Atrium entrance to sign out their child.
- Students in grades 7-12 being picked up at dismissal should wait in the auditorium if their parents are not outside on Fosdick Street to pick them up. Students leaving at dismissal via Fosdick, for immediate pick up should exit using the yellow or green stair exits to Fosdick to keep the front doors clear.
- Please continue to drive cautiously and carefully around our school building. There is a 20-mph speed limit.
- Parents dropping off by car are asked to avoid the bus zones on North Street and Masten Avenue and coned areas reserved for metro buses in the afternoon.

- For the health of our students, please do not idle your car or truck near the school. This is a city ordinance, and signs are posted along the perimeter of the campus.

#### Additional Grade 5-8 Transportation Details

If you do not plan to have your child ride BPS yellow buses or one of the legs of yellow bus transport, please, please call the BPS transport office at 816-4895 and let them know as soon as possible. There is an extreme shortage of school bus drivers. If the district knows you will not be using all or part of yellow bus transportation, they can consolidate routes to get our students to and from school faster. Be sure to download the FirstView App. on your electronic cellular or tablet devices. This tool will allow you to see in real time when your child's bus will be arriving at their scheduled stops.

Parents with questions about transportation issues prior to the start of school should contact the BPS transportation hotline at 816-4895. Once school begins, middle school parents should contact the school's designated transportation coordinator by calling the main office at 816-4230. Be aware that this is a part-time responsibility, and someone may not be available to address your concern immediately.

#### Additional Grade 9-12 Transportation Details

BPS students may access the NFTA system without a bus pass during the first week of school. NFTA-Metro passes will be distributed at the start of school. New NFTA riders will have their photos taken by security for permanent passes during the first month of school. Students should follow the route designated on the back of their bus pass in order to receive service. Families can request a change to the route issued to their child and find out more about the appropriate NFTA-Metro routes from the BPS Transportation Office website or on the NFTA website, which offers a route planning tool; please note NFTA will update their route schedules 9/1. Our school security officers are also a valuable resource to students regarding NFTA bus passes and routes. NFTA special buses line up on North Street at the end of the school day. Students are asked to use the front sidewalk to make their way to the NFTA buses, as crossing the parking lot and driveway are not safe.

#### Visitors

All visitors must press the "call button" located at the Main Entrance Door. Office staff will answer using the intercom system and greet visitors and ask the following questions. Visitors do NOT need to press the button for their responses to be heard.

1. Good morning/afternoon.
2. Please state your child's name.
3. Do you have a scheduled appointment? If so, with whom?
4. If you do not have a scheduled appointment, please state the reason for your unscheduled visit.

- If the visitor has an appointment or acceptable reason for their visit, the office staff will contact a security officer to report to the main entrance before buzzing the visitor in the school. This is required by BPS Security protocols.

- **Please do not allow others inside the building by opening entrances for them, as this activity compromises the safety of our students and staff.**

- Upon entering the Main Office, the visitor should be prepared to show government issued ID (driver's license, passport) and sign in using the "visitors' book" which is to be placed on the counter in the Main Office.

- Visitors will be issued a pass which is to always be worn and shown visibly on the visitor's top. These passes will only be issued at the Main Office.

- All visitors must sign out in the "visitors' book" and return the visitor's pass before departing.

**Our faculty, staff and administration welcome  
all Centaurs back to the Hilltop!**
