Schoology Directions for Families

To access Schoology, go to www.buffaloschools.org and click on the “Students” tab on the right side of the page.

Once in the Students tab, you will see an icon for Schoology in the middle of the page. Click the Schoology icon to log in. Students will use their 900# and password to log in. Parents will use the log in which will be provided by the district for their family account.

After logging in to Schoology, there will be four tabs titled “Courses”, “Groups”, “Resources” and “Grades” on the top left of the page, next to the Buffalo Public Schools icon. You may use these tabs to navigate through Schoology.

All student courses from Infinite Campus will appear in the Courses tab. To enter a course and see updates and materials from each teacher, click on the Course icon. Students may also click “My Courses” on the top right of the Courses page to see all their courses listed, instead of icons.

Students and parents will also want to pay attention to the calendar icon on the top right of the Schoology page. If a teacher has created an assignment with a due date, all those assignments for every course will appear in this calendar.

OTHER HELPFUL SUGGESTIONS

Visit buffaloschools.org frequently. Take some time to look through everything posted on the BPS home page. There are links to help you with many frequently asked questions or problems. You can also read the most current updates to School Reopening Plans and Health and Safety Plans. There are also now online forms available on the BPS page for many things that previously required a visit to the school.

Still can't find a solution to your problem?
Call the BPS Help Line at 716-816-7100
