

CHS Class of 2023

Oh, the Places You'll Go!

Every year at this time, CHS seniors display their destinations on banners outside the school counseling office to show their classmates where they will be next year, show our underclassmen all the great places waiting for them, and give our teachers and counselors the satisfaction that their hard work pays off for students. Here are the directions:

1. As soon as your destination for the new year is set, use the outline below to share your destination for next year. Be creative, use your college colors and logos to celebrate!
2. Be sure to add your name and major if you have selected one!
3. Pin your train to the banners outside the school counseling office (pins available inside the office).

Once again this year, we have a highly selective faculty committee that will judge all submissions. Gift certificates to Chiron's Corner will be awarded to the top three finishers (1st \$50, 2nd \$35, 3rd \$25)!
