

CHS CLASS OF 2022, WHERE ARE YOU COMMITTED?

Every year at this time, CHS seniors get to display their future destinations on the banners outside the school counseling office to show their classmates, teachers, and friends where they will be next year.

Here are the directions:

1. As soon as your destination for next year is set, Use the outline below to share your destination. **Be creative**, use your college colors, mascot and logos to celebrate!
2. Be sure to add your name and add your major if you have selected one!
3. Pin your train to the banners outside the school counseling office (pins available inside the office).

Once again this year, we have a highly selective faculty committee that will judge all submissions. Gift certificates to Chiron's Corner Bookstore will be awarded to the top three finishers (1st \$50, 2nd \$35, 3rd \$25)!

Thank you to Drea Favorito for creating this year's senior destination graphic!

(Cut out just under the dotted line)
