

Please send in your Dash's Receipts!

City Honors is now participating in the Dash's Market Tape Saver program as another way to earn cash to help keep the Pelion Community Garden going strong.

If you shop at Dash's, please help us out by saving and turning into the main office all of your paper cash register receipts. We will earn \$2.50 for every \$100 in receipts that we bring back to the store! It's another easy way that you can support academic activities and community programming in the Pelion Garden, the largest and most productive garden in the Buffalo Public Schools system.

For more on the Pelion Community Garden at City Honors School check out our Facebook page: <https://www.facebook.com/PelionCommunityGarden>
