City Honors School at FMP

JANUARY 2019

PSAT scores are now available. Students will receive their scores and a parent tutorial in their English classes. Scores can also be viewed electronically through www.collegeboard.org accounts.

New summer program opportunities are available (including ECMC Summer Internship). Visit the Guidance Office for more information and additional opportunities!

Early and diligent preparation for AP Exams can result in higher scoring and all the benefits that follow! Students can go on to www.collegeboard.org for test taking tips and to review past AP Exams. There are also several test preparation books available. It is suggested that students prepare six weeks prior to sitting for standardized exams.

Junior College Planning Kick-off Night will be held Thursday, February 7th from 5:30- 7:30 PM. RSVP to (716) 816-4243.

Working Paper applications are available in the Guidance Office. Attendance and academics are reviewed before working papers are issued. Please allow a few days for the applications to be processed.
