Coach Zasowski will be holding a second organizational meeting THIS Wednesday (6/12/19) after school in the LGI room. This is short but important meeting. Students will be given a tryout packet with forms that must be completed and returned in order to tryout. **Students should attend this second meeting EVEN IF they attended the first.** Boys currently in grades 6-11 are invited to attend this meeting!

BPS will be holding FREE Boys Volleyball Camps at City Honors on July 2, 3 and 8-11 for boys ENTERING grades 7-11.

### **CHS Girls Rugby Team Has Another Trailblazing Season**

The CHS Girls Rugby Team finished the season 7-1 with their only loss coming in the State Championship Game! Next year the team will become the first women's program in the state to travel outside of North America for Rugby. Thank you to our fans for all your support and we look forward to one day bringing home a State Championship to City Honors. With your support we have grown to become the largest High School Women's rugby program in New York State (even though we have only just over 500 students at the high school level!). Thank you also to the City Honors/Fosdick-Masten Park Foundation for the ongoing funding to support our program!
