

Cardinal Craze Week Hype-Video Contest!

Each CHS Grade Level is invited to submit a **one-minute** hype video to be shown at the Cardinal Craze Week Kick-Off Assembly. A panel of faculty judges will rank the videos 1-8. Points will be awarded toward helping your class to win the 'Rock of Mt. Pelion'.

What will the judges look for?

- High energy music
- Pride in CHS
- Pride in your grade level
- Fun, exciting
- Quality video editing
- Does video reflect positively on the school?
- Does the video accurately represent the diverse personalities in your entire grade?

To avoid having to secure media releases, these videos will only be shown within the school and will not be available for the public to view.

Music and photos must be appropriate to a school setting and all grade levels (5-12) to view. **Infractions will eliminate your video from the competition, reduce your score or require you to rework your video.**

Student(s) wishing to produce the video for their grade level **must register with Max Riley Pasciak by texting 716.846.1305 or emailing marileypasciak@gmail.com by October 8.** In your message, be sure to include your grade as well as the name, homeroom and email address of the student point-person for the hype video team for your grade.

All videos must be submitted to Max as .MP4 file types via email or clip drive no later than October 19.
