CHS Soccer Parents,

I want to inform you that there was shelter in place at Johnnie B. Wiley today. There was a reported incident which occurred within the vicinity of stadium.

The district implemented all necessary precautions and initiated a shelter in place to ensure the safety of students and staff. Police units arrived within minutes and the incident was investigated. Shortly afterward, the police deemed the stadium safe to resume to a regular schedule and the shelter in place was lifted.

We are more aware than ever about the importance and safety of our staff and students. Our SST (Student Support Team) team is prepared to work with anyone needing support or who was emotionally impacted by the events from today.

In the coming days, if you feel your child needs to access one of the members of SST, please reach out to SST staff at CHS or coach so that we can connect them to one of the counselors.

If you have questions or concerns, please contact your child's school directly. Thank You.

Sincerely,

William A. Kresse, Ph.D.
Principal
