CHS Parent:

I am writing to let you know that next week we will be welcoming Ms. Mengqian Wang to the Hilltop as substitute Chinese teacher. Ms. Wang will be serving in Mrs. Lu's place until she returns from maternity leave. Mrs. Lu will be here on April 18 to welcome our students back from spring break.

Ms. Wang has a background in education and is fluent in Mandarin; allowing our students to further their understanding and practice of the language. She will be following unit and lesson plans created by Mrs. Lu.

We would like to thank Qian Ding Pierri for her dedication to the students of City Honors and all her hard work during Ms. Lu's absence to this point. She spent many hours planning with Mrs. Lu to ensure that there were no gaps in content and learning. Ms. Pierri must leave us to fulfill a professional obligation that was set prior to CHS securing her as a substitute for Mrs. Lu.

If you have any questions regarding this transition, please do not hesitate to contact our assistant principal who supervises world languages, Mrs. Barinas.

Sincerely,

William A. Kresse, Ph.D.
Principal
