CITY HONORS π day olympics

What is it:

A math competition where you can compete in one of 7 different categories to earn extra credit for your math class and win prizes for top submission in each category.

The grade level with the most points (from submissions and winners) will receive a trophy.

What are the prizes:

Each category will receive the following prizes:

1st place - \$10 gift card and whole pie (provided by Mike's Pies- https://mikespies.com/)

 2^{nd} place - \$10 gift card and small individual pie

3rd place - \$10 gift card and small individual pie

When is it:

Submissions are due to your math teachers by Monday March 6th

Winners will be announced on Pi Day (3/14).

What are the categories:

- 1. Skit or Movie
- 2. Art
- 3. Posters
- 4. Poetry
- 5. Song
- 6. Story
- 7. Reciting the digits of pi

Categories:

Skit or Movie: Create and record a skit or movie that is 2 minutes or less. The movie must include math vocabulary about π but the story is up to you. No more than 3 people in a group.

Art: Students can use any medium to create a work of art about π or using $\pi.$

Poster: Create a poster that shares information about π . Examples include digits of π , history of π , uses of π , etc. Poster must be on paper larger than 8.5 x 11 inches.

Poetry: Create your own poem about π . This can include using the Pi-ku format.

Song: Make your own original song or parody with your own words. Record your song and make sure it is 2 minutes or less. No more than 3 people may work together.

Story: Write your own story involving π . 750 words or less.

Reciting: Memorize as many digits of π as you can. Participants will be asked to recite the digits during their math class on March 14th.
