

Parent/Teacher Get-Acquainted Night 2020

Thursday, October 8, 6:00pm-8:00pm

***Spend an evening attending your child's classes.
Get to know their teachers and courses!***

Here's How It Works:

- This event will be hosted remotely via Microsoft Teams (please do not come to the school).
- You will attend each of the classes your child attends on an "A Day".
- Classes will begin promptly at 6:00pm and last ten minutes each with five minutes of "passing time" between each class.
- Parents will visit each class by clicking on the MS Teams link for each teacher in their child's schedule.
- Teachers will hold you in a "waiting room" at the start of each class and open the classroom to all parents at the same time. Parents will then be cleared at the end of the class by the teacher. Arrive on-time to your classes!

What You Will Need:

- **A home computer** (we cannot guarantee it will work from your phone or tablet). If you do not have a home computer, your child can login into their BPS laptop and accompany you to classes for the evening.
- The **attached teacher roster** which provides unique Teams meeting links for each of your child's teachers.
- **Your child's 'A day' schedule.** A copy of your child's schedule was mailed home to all families at the start of school. You can also view your child's schedule in the Infinite Campus Parent Portal. **You or your child can fill out the grid on the second page of this document to help with your planning for the evening.**

Additional Notes:

- This is an opportunity for teachers to tell you a little about themselves and the course content they teach. Parents needing to conference about their child's progress should email teachers to set-up an alternate time to talk.
- Having the MS Teams app on your computer is not necessary. Once you find the teacher link you are looking for, click on it and then click on "continue in the browser" to enter as a guest.
- If your child has a teacher in their child's schedule that does not meet on 'A days' and you would like to conference with them, you can email them to set up an alternate time to connect. Counselors and Student Support Team staff should also be contacted separately.
- Out of consideration for others, please be sure your microphone is muted at all times unless called upon by the teacher. Use the 'raise hand' button to ask a question when appropriate.
- This is the first time we are ever attempting a remote PT Get-Acquainted Night. Please be patient as glitches are sure to arise!

Questions?

- Contact the main office to the school at 816.4230 or email ahannah@buffaloschools.org

See next page for Thursday night's bell schedule and a class grid your child can help you to complete!

Grade 7-12 'A-DAY' Schedule:
