'GET ACQUAINTED' NIGHT

September 2022

Dear CHS Parent:

On behalf of the City Honors faculty and administration, I would like to invite you to join us for our annual Parent-Teacher "Get-Acquainted" Night. This event provides you with the opportunity to move through your child's daily schedule for brief presentations from their teachers regarding their 'roadmap for learning' this school year. We encourage all families to arrive early as the schedule will begin promptly at 6:00 pm. Arriving early will allow time to find parking and become familiar with the locations of your child's classrooms. Please note that parking is limited to side streets as our staff parking lot will already be full.

On the back of this page, you will find your child's daily schedule that they should have completed for your benefit. Please be sure to bring this schedule with you as you will need it to attend the appropriate courses.

Please understand that the goal of the evening is for teachers to provide presentations in the brief amount of time allotted. Although most teachers will allocate time for some general questions, we ask that issues pertaining to individual students be handled by contacting the teacher for a conference or during our traditional parent-teacher conference system following the end of the first marking period.

There will be an informational meeting in room 117 presented by Mr. Richards for all Grade 9 students and parents interested in the CHS Science Research program at the Buffalo-Niagara Medical Campus at 5:30 pm. He will be available for additional information or questions during periods six and seven of Parent-Get Acquainted Night. Please contact Mr. Richards, program coordinator, for questions: trichards@buffaloschools.org. All Grade 9 students have received a presentation on this program during their living environment lab classes.

We look forward to seeing you this week!

Sincerely,

William A Kresse, Ph.D.

PTSCO Meeting:

Our first PTSCO (Parent Teacher Student Community Organization) meeting will be on Wednesday, September 14, 2022, 5:30pm – 6:30pm. As part of the social and community building aspect of City Honors, we have events planned for the upcoming months that will require the support of our parents and guardians to be successful! Please come with your ideas, talents and energy to help make this year a memorable one for our students and community. Feel free to contact Maureen Chapman, PTSCO President chsclass2019@gmail.com with any questions. We hope to see you there!

CHS Student: Please take time to fill out this schedule neatly and completely. This must be presented to your parent/guardian upon returning home from school today.
