Seniors can also bring their own lunch or bring additional money to spend at the trucks. (The only rule: please no sharing of food to avoid any possibility of infection!)

1:30: Senior class awards and induction into the CHS Alumni Association

2:30: Distribution of caps, gowns, stoles, masks, tickets and Covid forms for use at the graduation ceremony at All-High.

What Can We Do Between Scheduled Events?

Toss a frisbee, play badminton or cornhole, sign yearbooks, sit on a blanket and enjoy each other's company (while social distancing). The Senior Senate is also planning t-shirt decorating and a class photo. Mr. Howson will communicate more about these activities to seniors.

Really, Really Important Information I Should Know About This Event

-Because this is a school event, it is a **drug and alcohol-free event**. Please do not ruin this day for others. Make positive decisions and let's all be safe!

-Under new district guidelines, masks are optional outside the school building.

-June 21 is a regular day of attendance and this is a school event so students will be governed by the BPS Code of Conduct. Any conduct issues may impact a student's opportunity to participate in graduation exercises.

-Once seniors sign in for the day, they must stay until 2:45 or until a parent signs them out (yes, this is district procedure).

-Again, please no sharing of food to reduce possibility of spread. We know CHS students are generous, but please hold off on that instinct in this one instance!

What If Senior Day Is Rained Out?

-We will text families if all or part of the day is rained out. Alternate arrangements will be made for students to pick up their graduation costumes and awards at the building that day. Given that graduation is the next day, we will not have an opportunity to reschedule this event (pray for sunny skies!).
