

Class of 2023 Families:

Senior portraits will be taken on **September 21st** in the CHS Auditorium for students who have not had their portrait taken yet. There is no charge for the photo session or for the yearbook image submission.

To have your photo taken, you need to sign up for a photo appointment. To sign up [go to this link](#) (If the link does not work from this document for some reason, copy and paste the link into your browser). Find your preferred timeslot and book your appointment. Book early to get the slot you want!

Carefully read these instructions to look sharp Centaurs!:

1. Arrive 5-10 minutes before your time slot to prepare for your portrait. Your scheduled time is the time you will be sitting in front of the camera and having your photo taken. Bring a comb or brush and something to wipe any perspiration glare off your face. We will have a mirror available.
2. Prefer boys' clothing? A tux jacket, shirt and bowtie will be provided. These tux tops will be used multiple time throughout the day. You have the option to bring your own tux top or your own **black blazer, white dress shirt** and tie. **No matter your option, please be sure to wear a white undershirt.**
3. Prefer girls' clothing? We will provide a drape for you to wear. You need a strapless top to wear under the drape because the top of your shoulders are not covered. These drapes will be used throughout the day so you have the option to wear your own **black top**. If you wear your own black top, it DOES NOT need to be shoulderless.
4. Instructions to view and purchase your photos will be given to you at the photo session and emailed out to parents.
