Dear Friends of City Honors and Fosdick-Masten Park,

Offering a world-class education while securing the resources for EVERY student to succeed, regardless of their means, is the forefront of what makes City Honors School one of the top public schools in the country.

As a City Honors community member, you are aware of the positive impact our school has on the development of our students. Gifts to the CHS Annual Fund help bridge the gap between the increasing costs of a high-quality learning environment and uncertain funding from the State and district.

Thanks to investments made by the City Honors/Fosdick-Masten Park Foundation, our students were welcomed back this fall to renovated and spirited spaces. In the gymnasium, new bleachers were installed as were athletic recognition banners and record boards. Photographs, graphics and inspirational quotes were added to other areas of the school building.

We also continue to support the Pelion Outdoor Classroom at CHS, student planners for every CHS student free of charge, the STARS Program (STudents with Autism Rising to Success) and our IB Programs. In addition, monetary support is available to any club or athletics team (*visit the "Support CHS" tab at cityhonors.org for a complete list of our 20-21 investments*).

From its inception in 1996, the CH/FMP Foundation has been committed to stewarding your gifts, ensuring investments are made to enhance the CHS experience for all students. Over the years, we've established special funds to support important issues. While unrestricted funds allow the board to make investments in the overall CHS experience, we realize you may want to support a particular initiative. There is a gift form available on the website for you to print and mail. If you choose to make a gift online, you can indicate your designation in the memo section.

We hope we can count on you to make a gift to the 2021-2022 CHS Annual Fund campaign. Thank you in advance for your generosity to the "School on the Hill" and the 1100 students from the city of Buffalo it serves.

Sincerely,

A handwritten signature in blue ink that reads "West Richter Jr." in a cursive script.

West Richter Jr. '08
President, Board of Directors
